

## **William Ford, MD, SFHM**

Regional Director Hospital Medicine  
Clinical Associate Professor of Medicine  
Abington Jefferson Health  
Abington, PA

---

Dr. William T. Ford received his Bachelor of Science degree, cum laude, from the University of Scranton in Scranton, PA. Dr. Ford then went on to earn his medical degree at the Medical College of Pennsylvania, Hahnemann University School of Medicine in Philadelphia, PA. He completed both his internship and residency in Internal Medicine at Lahey Clinic Medical Center. Dr. Ford is board certified in Internal Medicine.

Throughout his career, Dr. Ford published several peer reviewed, scholarly articles on topics such as heart failure and performance measures, chronic obstructive pulmonary disease, diabetes management, the unintended side effects of prescription medications, and antimicrobial stewardship in patient care. In addition to publications, Dr. Ford continues to show special interest in research topics such as quality and performance improvement, observation unit process improvement, standardization of care improvement, inpatient diabetic management, and successful coordination with advanced practice provider groups.

Dr. Ford has been recognized for several awards, such as the *Who's Who in Medicine* and the National Hospitalist Program of the Year award by Cogent Healthcare. Dr. Ford is a proud member of Abington – Jefferson Health, a network of over 200 primary care and specialty physicians.
